## **Four Additions and One Deletion in S-Network Space Index Semi-Annual Reconstitution**

New York, NY, Friday, December 21, 2018 — The S-Network Space Index<sup>SM</sup> (TICKER: SPACE) will add four constituents and drop one constituent in its semi-annual reconstitution, effective 6:00 PM (EST) Sunday, December 23, 2018, changing the number of index components to 30.

The additions to SPACE are: Raytheon (TICKER: RTN US), Harris (TICKER: HRS US), Honeywell (TICKER: HON US), L3 (TICKER: LLL US).

The deletion from SPACE is: Global Eagle Entertainment (TICKER: ENT US).

A complete list of constituents and weights will be posted on the S-Network Space Index website ([space.snetglobalindexes.com](http://space.snetglobalindexes.com)) as of the effective date.

The S-Network Space Index is designed to serve as a fair, impartial and transparent measure of the performance of companies materially engaged in the space industry.

Detailed information on the S-Network Space Index including constituent data, rules and price information is available at [space.snetglobalindexes.com](http://space.snetglobalindexes.com). Data is also available through most vendors of financial data.
